██████████ were over to discuss ██████████. They were anxious to know what we are going to do and certainly would prefer that we give up ██████████. If we choose not to do so, they will, however, be co-operative. I briefed them on our current thinking about ██████████ and urged them to make some study as to what they would do with the facility if we gave it up. They undertook to do this. I told them that I thought there would be no problem in making a final decision well before the first of the Calendar Year. ██████████ has prepared a more detailed memorandum on this conversation.)
